- ACM Summit Volunteer

PROFILE

Driven Computer Engineering student at NMIMS Indore with hands-on expertise in Java, full-stack web development. First Prize winner at the GDGC Hitnext Challenge. Actively building real-world projects and seeking software engineering internship opportunities.

PROJECTS

DigiTrust — Bank Management System HTML · CSS · JS · Node.js · MySQL

- Full-stack digital banking platform with 10+ modules: accounts, deposits, withdrawals, loans & admin dashboard.
- Node.js backend with MySQL for real-time transaction processing and multi-account management.
- 15+ responsive UI pages with clean, accessible design.
- Live Link: [DigiTrust Bank Management System](#)

Online Food Ordering System Java · OOP · File I/O

- Console app for end-to-end food ordering — menu browsing, cart management & order placement.
- Applied OOP principles (encapsulation, inheritance, polymorphism) with file-based persistence.

Disney+ Streaming Clone HTML · CSS · JavaScript

- Pixel-accurate responsive front-end using Flexbox/Grid with animated carousels and hover effects.
- Deployed on Vercel; hands-on experience with front-end deployment and CI/CD workflows.
- Live Link: [Disney Website](#)

Code CSR — NGO Website HTML · CSS · JS · Node.js

- Full-stack NGO site with Node.js backend for volunteer registrations and donation inquiries.
- Accessible multi-page UI focused on storytelling and community engagement.
- Live Link: [Code CSR Website](#)

AI Companion — Conversational Agent TypeScript · AI/ML APIs

- Modular AI agent with multi-turn conversation support and persona customization.
- Live Link: [AI companion](#)

ACHIEVEMENTS & EXTRACURRICULARS

- ★ First Prize — GDGC Hitnext Challenge (competitive coding & design inter-college event).
- ★ Participated in Technex 24-Hour Hackathon — built a working prototype under time constraints.
- ★ NPTEL DBMS, IIT Bombay Data Science, and Google Cloud Platform certifications completed.
- ★ Python proficiency certified via Scaler Academy; continuously upskilling in web and AI.
- ★ Active GDGC Design Member, ACM Club member, and Placement Cell representative.

EDUCATION

B.Tech — Computer Engineering 2024 – 2028

NMIMS Indore

Semester 3: 8.81 CGPA

Semester 2: 9.08 CGPA

Semester 1: 9.26 CGPA

Class 12 (MP Board) : 80.5% 2024

Class 10 (CBSE Board) : 87.5% 2022
